Transform Your Home

DOOR STYLE BOOK

CRYSTAL CABINET WORKS

Custom inset door style finished in Frosty White matte on PGM.

Designed by: Kathy Fredrich
Photography by: David Reeves

TIMELESS AND FRESH STYLES TO TRANSFORM YOUR HOME.

When you select a door for your cabinets, the style you choose can become the inspiration for your entire room.

Crystal has over 80 finely-crafted door styles to help you reflect your personal taste. And if that's not enough, we make it easy for you to design your own unique door with our Custom Door Program.

Because we manufacture all of our wood door styles, you can be sure you're getting the finest quality constructed doors for your cabinets. Unlike others, we build our wood doors using wide staves, this results in a door with a superb uniform finish that has the utmost visual appeal.

CUSTOM DOORS

We have the resources to create unique one of kind custom doors. Custom door styles happen to be our #1 selling door! If you're trying to match or replicate an existing style in your home, no need to compromise your design; we've got the tooling, technology and expertise covered.

Start the design journey to transform your home—visit an independent Crystal dealer near you to see door samples, finish colors and woods. Others claim they can build what you dream–at Crystal, we can truly make your dreams a reality.

WHERE DO I GO FROM HERE?

For more than 65 years we have had many customers of varying age, profession and budget comment how pleased they are with their Crystal kitchen or bath. We would like to add your name to our list.

Visiting a showroom is the only way to examine the richness of our finish, truly experience the smooth operation of the doors and drawers, and explore design options. While there, request Crystal's ***Idea Portfolio*** to see more styles and options...and discover for yourself why ***everyone deserves a custom kitchen.***
