SPRING 2017 PRODUCT INTRODUCTIONS

Come along on a gallery tour featuring a serene palette paired with dramatic details, inspiring creativity as only Omega[®] can do. Discover new depths to Omega that make it easier to design within a modern genre while preserving the long-noted artisan craftsmanship and superb attention to detail. Prepare to experience artful living at its finest.

Omega. We're making good things happen.

NEW NEUTRAL PAINTS pg 06

*Beach House, Colonnade
Elemental White and Meteor*

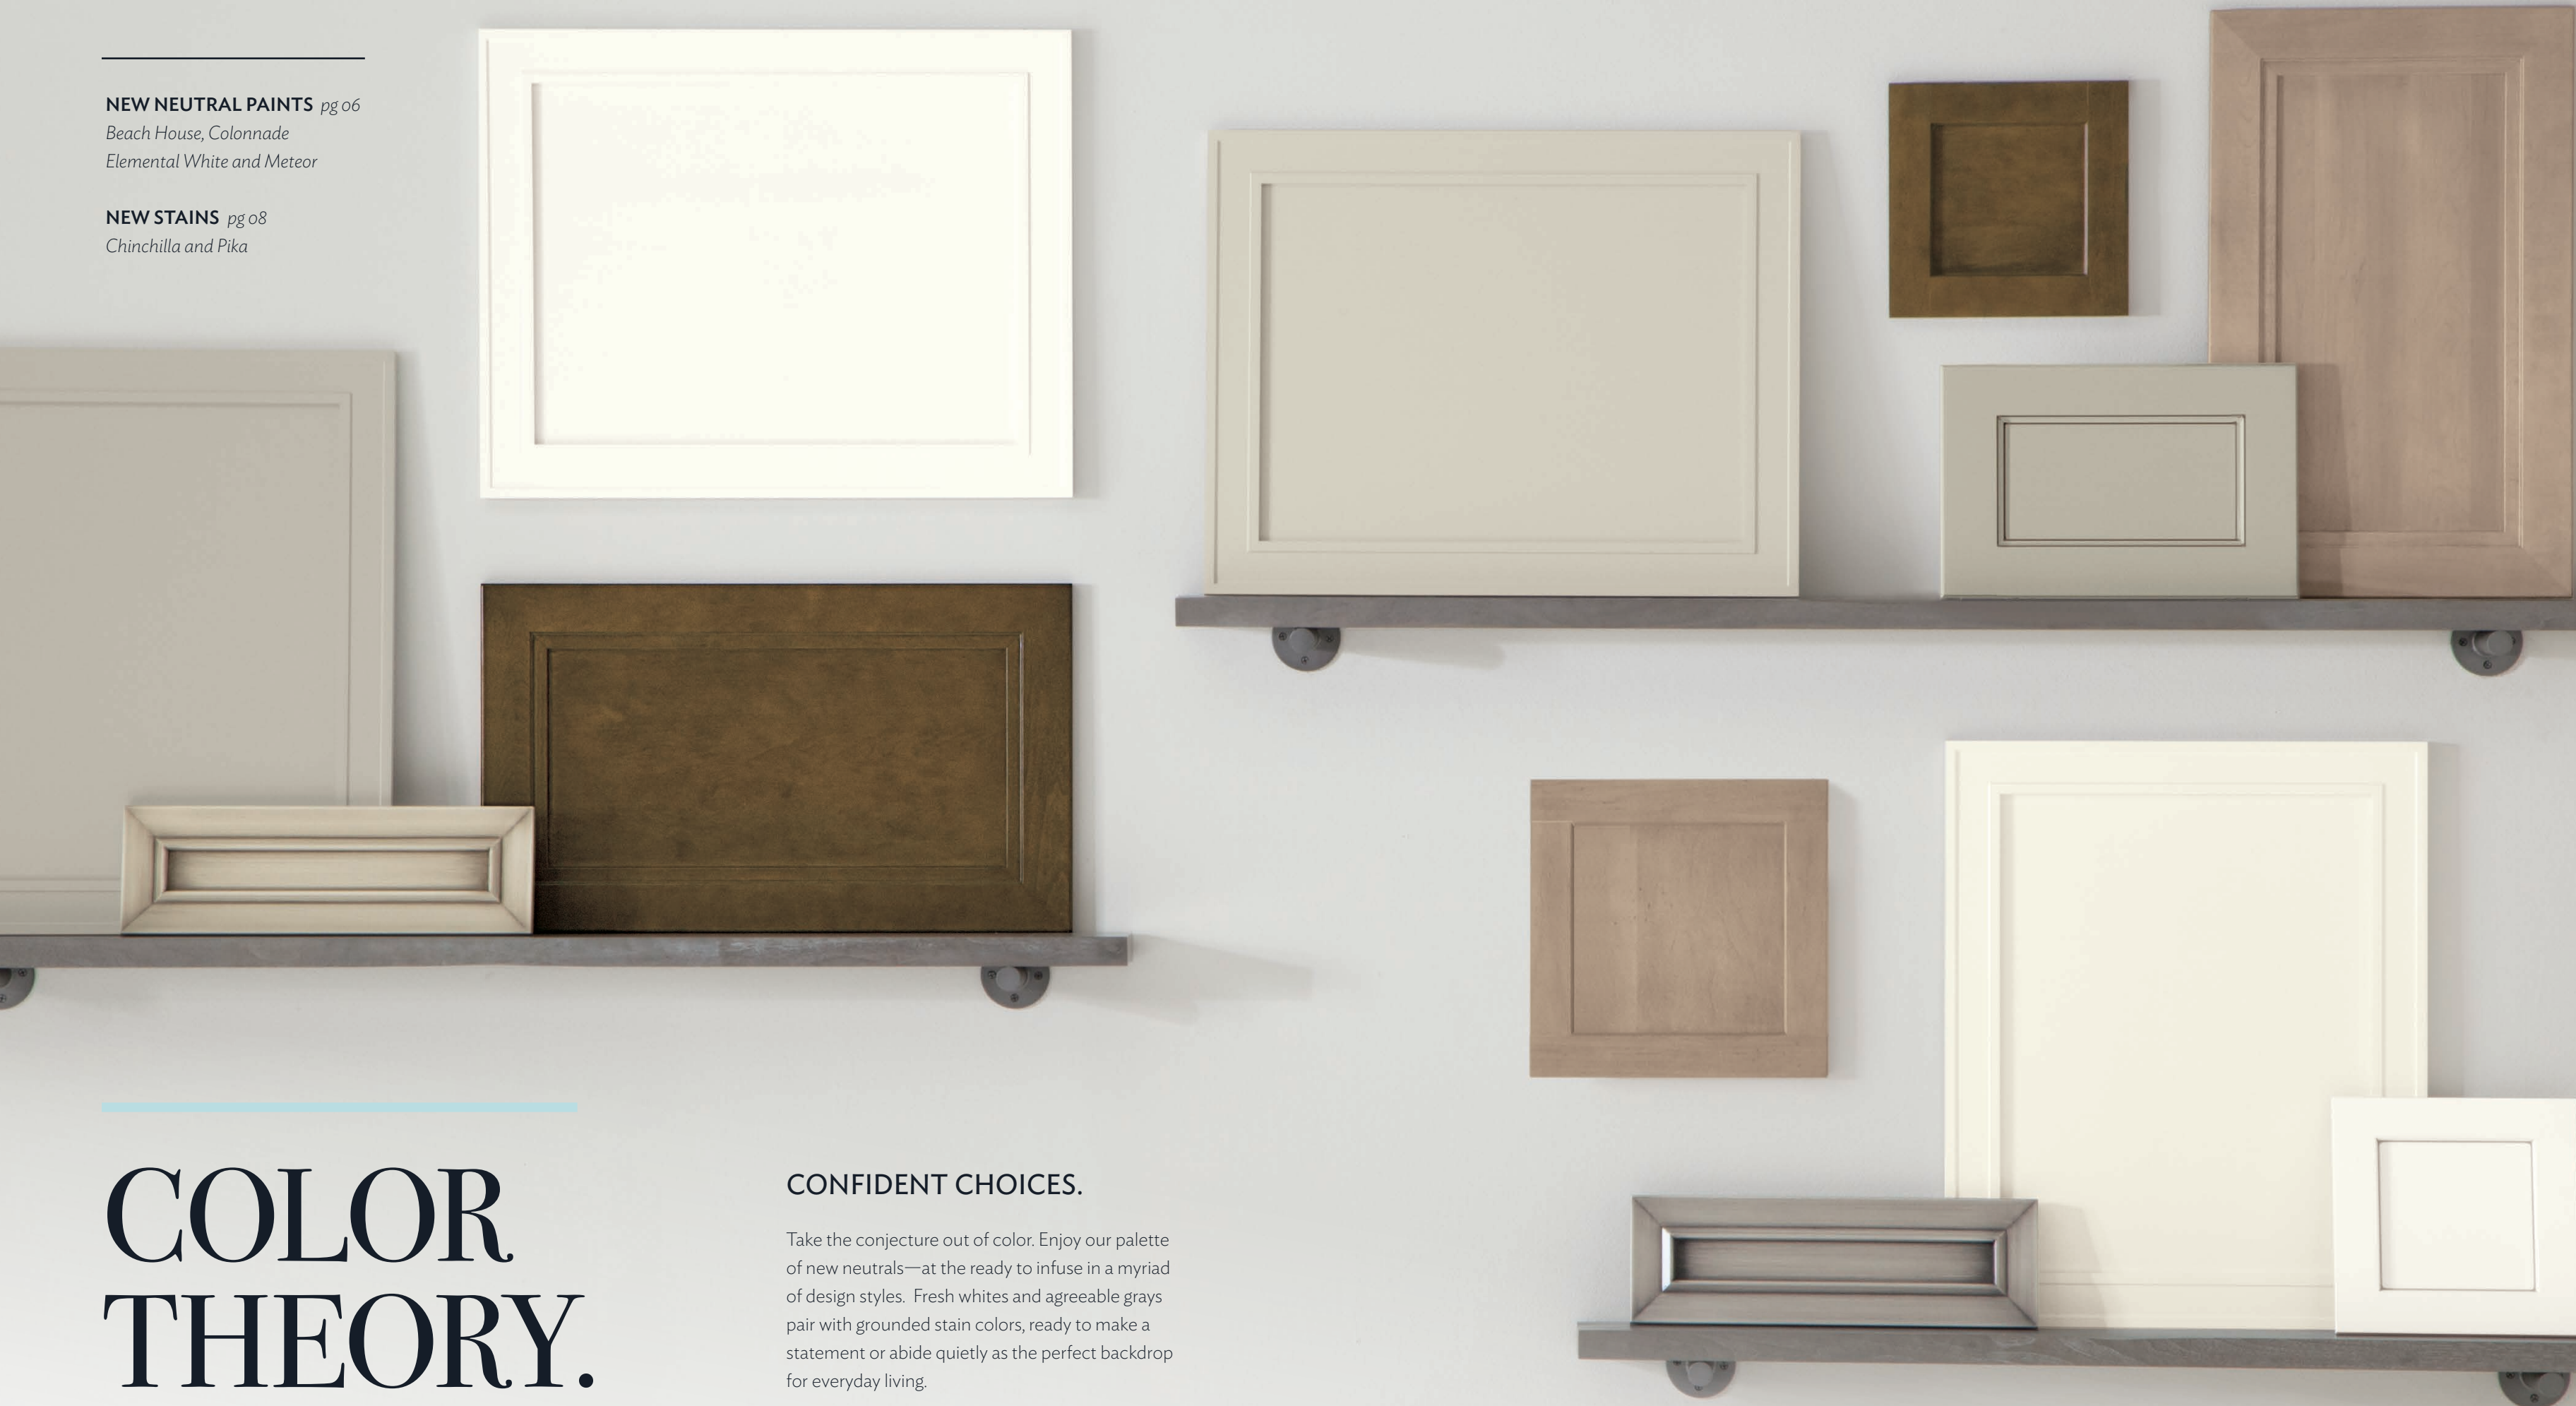

NEW STAINS pg 08

Chinchilla and Pika

COLOR THEORY.

CONFIDENT CHOICES.

Take the conjecture out of color. Enjoy our palette of new neutrals—at the ready to infuse in a myriad of design styles. Fresh whites and agreeable grays pair with grounded stain colors, ready to make a statement or abide quietly as the perfect backdrop for everyday living.

WHITE NOISE.

NO STATIC.

ELEMENTAL WHITE

BEACH HOUSE

COLONNADE

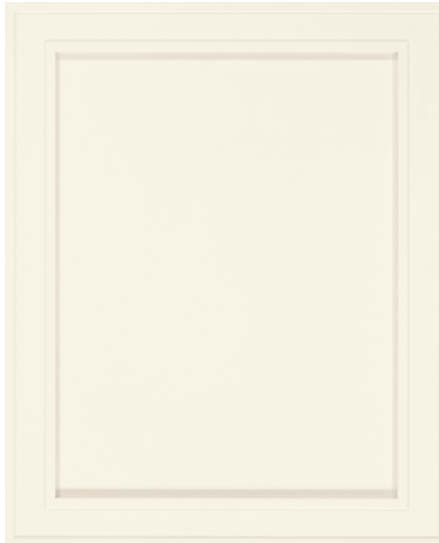

METEOR

Available in Maple, Oak and MDF.

Four new shades of neutral coloration begin with our bright Elemental White, adding crisp clarity to the Omega mix. Beach House evokes warm memories of gentle waves and sugar sand, while Colonnade and Meteor boldly proclaim trend-forward gray notes that are in high demand today.

IN FOCUS.

A SHARPER IMAGE.

PIKA

CHINCHILLA

Available in Alder, Rustic Alder, Bamboo, Cherry, Rustic Cherry, Maple, Oak, Rustic Oak, Pecan, Rustic Pecan, Quartersawn Oak, Walnut, and Wenge

Set the scene for style with Pika and Chinchilla, two new brown stains that focus on taking the red out. And yellow too, leaving an earthy warm finish that complements rather than commands. These true browns can happily be stand-alone beauties or play well with others, making them an easy choice for every architectural genre.

HEAVY METAL.

ROCK IT.

Six frame styles in seven sumptuous finishes. Contemporary styling has the moxie to rock metal doors for a simple focal point, or scream “statement” throughout a space. Choose from Chrome, Brushed and Natural finishes along with today’s top trend of Arctic Gold. Don’t underestimate the ability to specify an urban traditional look with Black and Oil-Rubbed Bronze frames, too!

RAISE YOUR GLASS.

CELEBRATE THIS.

Toast exciting opportunities to add texture, color and custom designs for metal door frame styles. With an extensive selection of backpainted glass in matte and gloss finishes, create dynamic designs with the unexpected ability to use the glass for magnetic markerboards! Leather inserts, high gloss Parapan and metallic finishes are just the tip of the iceberg. You'll love our custom capabilities as well.

INTRODUCING BLUEPRINT.

IMAGINE. CREATE. OMEGA.

See the potential of something before it exists. You (or your client) imagine a product not found within the Pinnacle catalog. Perhaps the desire is to solve a challenging issue, or be a visionary with a whimsical design. Convey your thoughts to Omega and we'll produce customized drawings with pricing, allowing the Pinnacle piece to speak to your creativity, expertly coupled with our artisan influence.

IDEA ARCHITECTS.

BUILDING BETTER DESIGNABILITY.

INSTALLED LIGHTING

Pinnacle Series

Choose to modify wall cabinetry that features installed lighting, including a flush finish bottom—captured within the price. Surface lighting kits are available as an accessory. Select from white or brown wire trim.

TOE KICK DRAWER MODIFICATION

Pinnacle, Dynasty and Dynasty Full Access Series

The Omega Pinnacle Series and Dynasty Series Full Access now enjoy a modification option for a Toe Kick Drawer, for greater storage flexibility that encompasses over 140 product SKUs featuring push-to-open technology!

WOOD HOOD MODIFICATION

Pinnacle Series

Omega makes it easier to install your aftermarket vent hood selection within the flush-finished bottom of a Pinnacle wood hood. Reference dimensions located in the Pinnacle Price and Specification, or choose a custom cut-out that is vetted by the Omega editing team.

PLYWOOD SHELF AS STANDARD

Dynasty and Dynasty Full Access Series

A new day—a new standard. With no upcharges for materials associated with premium products.

SPECIE MATCHED INTERIOR OPEN CABINETS

Dynasty and Dynasty Full Access Series

All Dynasty and Dynasty Full Access open cabinets will now include specie interior standard. This includes cabinets modified to prep for glass.

ADD SIDE ADJUSTMENT DRAWER CLIPS

Dynasty Full Access Series

More drawer adjustability = ease for your installer. Perfect for the tight reveals of full access for a better looking finished product.

UPGRADED HAMPER PULLOUT

Pinnacle, Dynasty and Dynasty Full Access Series

Now featuring chrome wire construction with a cloth hamper basket for all three product series.
